

Become a South Puget Sound SHRM Board Member!

Are you interested in becoming a South Puget Sound SHRM board member? 2020 is right around the corner, and we are looking for volunteers to serve on the board! Volunteering is a fun and rewarding opportunity that provides opportunity for collaboration, and fosters relationships with other local professionals, all while advancing the HR profession!

Benefits of Volunteering:

- Provides a great networking opportunity
- Demonstrates leadership and initiative to employers and other HR professionals
- Develops critical skills as someone who leads and impacts the local HR community
- Eligible for recertification credits through both HRCI and SHRM
- Potential opportunity to attend conferences or trainings on behalf of the chapter

In order to volunteer as a board member, you must...

- ...be a national SHRM and local SPS SHRM member in good standing
- ...be able to commit 5-6 hours/month to attend breakfast seminars & board meetings
- ...stay on top of issues affecting the local HR community
- ...have a desire to serve, and a sense of humor!

As a board member, you are NOT required to...

- ...hold a PhD, HR certification, or any other type of advanced degree or certification
- ...satisfy a minimum number of years in the profession
- ...be at any predetermined stage in your career

Many people feel they are not eligible to be on the board because they don't feel qualified, but often times that's just not true! We are looking for hard working HR professionals at *all* career and life stages. We want our board to be as diverse and inclusive as the chapter members we serve!

For more information on joining the board, please contact Sarah Champion, chapter president, at spsshrm.president@gmail.com!
