What is SPS and why be a partner?

Connecting Your Business To Potential New Business

The South Puget Sound Chapter (SPS) is a local chapter of the Society for Human Resource Management (SHRM). A key part of SHRM's mission is to advance the human resource profession and the capabilities of all human resource professionals to ensure that HR is an essential and effective partner in developing and executing organizational strategy.

SPS was founded in 1954. SPS's purpose is to provide educational, informational and networking opportunities to human resource professionals in the Tacoma/Pierce County area.
